

Timesheet

from: Punch Monitor

Price: £360.00

Date: 2020-07-31 08:44:06

Expiration Date: 0000-00-00 00:00:00

Description

Timesheet is a record of the amount of time an employee has spent at work, on a particular job, project or working for a specific client. This information could be recorded on paper, a spreadsheet or in a cloud software system such as our timesheet module. By keeping track of the time an employee starts and finishes work,
